

# How can you be a literacy champion?

## Be informed about the literacy facts.

Talk to friends and family to share facts, statistics, and success stories about literacy.

## Look through the literacy lens.

Use principles of clear language in all communications.  
Recognize signs of low literacy.  
Know about the literacy resources in your community.

## Volunteer.

Volunteer at a local literacy organization to help someone improve their literacy skills.

## Donate.

Support a literacy organization that is making a positive impact.
